Post Graduate
Diploma in Management [PGDM]

SUPPLY CHAIN & LOGISTICS

Approved by AICTE - Government of India

Supply chain and logistics will offer huge employment opportunities for the professionals with exponential rate of growth in online trade in the post Covid world. Hence, this course is designed to provide a glimpse of innovations in the supply chain and challenges caused by disruption in global supply chain and logistics. Internship will help students capture the shortcomings in the current system and prepare for the dynamic solutions in advance. The course will carry content to repair and renovate conventional supply chain and logistics operation model along with value additions required in the dynamic and fast changing scenario.

MBA equivalency for **PGDM** is provided by **AIU** (Association of Indian Universities) in India.
